1. Introductions, Mr. Menin, Third year Physics teacher, second year at Bromfield after 30 years in industry – a mechanical engineer by training & degree.
2. Applicable web sites *foundationsofphysicalscience.org* & *webassign.net*.
3. Take attendance – hand out seating chart for completion.
4. Handout text, lab manual, text CD & log in sheets.
5. Handout course intro letter & discuss.
6. Discuss POD – completion of course intro letter acknowledgement form by both parents & student. Introduction to Physics, what is Physics? – student input, where do you want to go from here?
7. (A) Extra Block Time (Day 1) – Middle School Science Test
8. (B) Riddle:

What is more powerful than God ?

What is more evil than the devil?

The rich want it.

The poor have it.

If you eat it – you'll die.
