

PLAN of THE DAY 09-05-06

(Mr. Menin, PSII, Room 279)

(“B Period” - develop/retrieve seating chart.)

ALL PERIODS - REVIEW CD LOG SHEETS

ALL PERIODS – COLLECT HOMEWORK (POD1) – Is everyone (*parents included*) OK with the course outline? The way the class will be run, etc.?

Anyone not completing HW needs to sign “*Didn’t do homework acknowledgement sheet*” & see me after class.

Objective: Introduction to “Displacement”

1. Review previous words of the day “Parameter” and “Distance”.
2. Introduce WOD “Displacement” from web.
3. Demonstrate difference between distance and displacement:
 - Ask students to circumnavigate room in different directions coming to the same spot from which they began.
 - Distance traveled vs. displacement?
4. Identify POD 2 and introduce webassign. (*Note requirements for manual completion of HW.*)
5. Return to Bromfield Wall and complete distance estimates.
6. Extra Block Time (Day 3) – No Long Block Today for Room 279
