

**PLAN of THE DAY 09-13-06 (Wednesday – Day 2 - B Day – Early Release )**

(Mr. Menin, PSII, Room 279)

Continuing Objective: We reviewed average speed as  $[\text{Total Distance}] / [\text{Total Time}]$  on Friday or  $= [\text{Total Distance}] / [\text{Total Time}] = \Sigma d's / \Sigma t's$ .

1. Reiterate (*List*) lab group timekeepers & data takers. Get Jackets & return to Bromfield Wall and estimate speed of passing cars.
2. No Extra Block Time (*09-13-06 Day 2 Early Release*).
