

The pace of this class is:

*Too Fast* *Just Right* *Too Slow*

The HW assigned is:

*Too Much* *Just Right* *Too Little*

The Quizzes are:

*Too Hard* *Just Right* *Too Easy*

Student Participation Opportunity is:

*Too Little* *Just Right* *Too Much*

Student Participation Required is:

*Too Little* *Just Right* *Too Much*

Labs are (*re: Difficulty*):

*Too Hard* *Just Right* *Too Easy*

I feel like I'm learning:

*A Lot* *Enough* *Too Little*

There have been two types of labs. So-called "Cook-Book" type (*like the computer lab & the "Hall" mini-lab, where you found your average step length*) & the labs from the lab manual. Which do you prefer?

*Cook Book* *From the lab manual*

Discipline:

*Too strict* *Just right* *Too little*

Subject Matter:

*Too Boring* *Just Right*

Before this year I thought I would like "Physics":

*Yes* *No* *No Opinion*

My Present Opinion of Physics is:

*I like it* *No Opinion* *I don't like it*

My Present Opinion of Math is:

*I like it* *No Opinion* *I don't like it*

I don't like this Physics class because:

*It's over my head* *N/A* *It's not challenging enough*

Class Hardware (*Books, Classroom, Lab Materials*):

*Excellent* *Adequate* *Poor*

Teacher's Instruction:

*Not engaging* *Adequate* *Just Right*

Your Effort to date:

*A Lot* *Enough* *Too Little*

Options for Extra Help:

*Too Little* *Adequate* *More than Enough*

The "One" thing I would change about the class is: \_\_\_\_\_

The "One" thing I would **not** change about the class is: \_\_\_\_\_

This survey should have asked the question: \_\_\_\_\_
